This is a sample page from notepads recently created by LRCF with each page featuring a picture and information about a missing child. We hope that by keeping their faces in the public eye in a new format, we can gain information to help locate these children. We extend our sincere gratitude to Cheetah Transportation Systems, Inc. of Alvin, TX, for sponsoring our first 1,500 notepads, to Suzanne Slavin for the great idea, and to Kimberly Stoeck for assistance in finding an underwriter.
