- 29 Operation Sundown
Details TBA

September

- 29 Display booth at Alvin Fire Dept. Safety Day, Alvin, TX
- 29 The United Space Alliance – IM Houston Open Golf Tournament Benefiting the Laura Recovery Center

OPERATION SUNDOWN:

LRCF Partners With Crime Stoppers

At the end of August, the fall program for Operation Sundown starts. We are pleased to announce a new partnership with Crime Stoppers beginning this year.

Operation Sundown involves using a 36-foot motor home to display photos of missing children after sundown in Houston locations. Photos are flashed on a 9 ft. x 10 ft. screen every 20 seconds for a period of about 4 hours in high traffic areas such as along a road or in the parking lot of a busy store.

In order to make photos more visible, we are currently building a portable screen measuring 15 ft. x 20 ft. This project will require some creativity to design and build so it can be set up and dismantled in a short period of time by two people.

Operation Sundown is evolving. In addition to displaying photos of missing children, we will also display photos of wanted sex offenders as part of our new partnership with Crime Stoppers. By combining our efforts, we can help families searching for missing children and help law enforcement in their efforts to locate wanted sex offenders and get them off our streets and away from our children.

We want to thank Katherine Cabaniss, Executive Director of Crime Stoppers, for meeting with us to develop this joint project.

If you are interested in participating in Operation Sundown, please call us at 281-482-5723.

MISSING YOUTH Pasadena, TX 77503

Missing since October 29, 2006

Yessenia Zamora, age 14, 5 ft. 5 in. tall, 130 lbs., may be in the company of a 22 year-old Hispanic male going by the name of Eduardo.

Please call the Pasadena Police Department at **713-477-1221** or the Laura Recovery Center if you have any information on her whereabouts.

LRCF Provides Support Packets for Families of Missing Children

LRCF recently compiled support information in packets titled, "When Your Child Is Missing." The packets contain ideas for renewing public interest for long-term missing. Our hope is that one or more of the ideas will help revitalize the search, stimulate media attention, and ultimately bring each child home. Thirty-one packets were mailed in July.
