Missing Youth

Marissa Lopez is a missing 14-year-old girl from Prairie Village, Kansas. She left home September 9, 2007, and has not been heard from since. She is 5 ft. 3 in. tall, 110 lbs., brown eyes and brown hair. Marissa met and fell in love with a 21-year-old Mexican man going by the name of Alberto. Sadly, following Marissa's disappearance, her two sisters were killed in a car accident, and she may not know about their deaths.

If you have any information about Marissa, please call the **Prairie Village Police** at **913-642-5151** or the Laura Recovery Center.

Murdered

Shattered Dreams

It is with profound sadness that we report Brianna Denison's body was found on February 15, 2008. She was a vibrant, talented, young woman who went home to visit friends and family in Reno, Nevada.

On January 20, 2008, Brianna was abducted in the dead of the night from the house where she was staying. She was attacked, abducted, assaulted, and murdered. Though a large-scale search was conducted for her, it was 26 days later when her body was discovered in an industrial park in Reno, Nevada.

Brianna's killer is still on the loose and a threat to any woman who crosses his path. With his DNA and the dedicated efforts of the Reno Police Department, it is hoped that this piece of human garbage will soon be caught.

Bob Walcutt

Upcoming Activities

March

- 7 Choices Program, Alvin Jr. High School, Alvin (4 sessions)
- 21 SKATE Program, Brompton Apts. Community Center, Spring Branch
- 27 SKATE Program, St. Paul's School, Houston
- 29 Safety Fair, Mall of the Mainland, Texas City

April

- 3 Meeting with Communities in Schools, Pasadena
- 4 SKATE Program, Fairmont Christian Academy, Pasadena
- 10 Law Enforcement Program, Houston Police Academy, Houston
- 19 Safety Fair, Oaks Elementary, Humble

The cost of conducting searches out of the area is expensive. We don't ask the community or family for help in covering these expenses, but we need your help. If you can donate air miles to the Laura Recovery Center, please call us.

National Statistics

- There is a 100% chance of a child meeting a predator in a chat room.
- A predator approaches one in every five children online.
- 47% of children have received emails with links to pornographic websites.
- One child is abducted in the United States every 9 minutes by a non-family member.
