Laura Smither 1984-1997

April 3, 2008 is the 11th anniversary of the abduction and murder of Laura Kate Smither in Friendswood, Texas.

In spite of the best efforts of the Friendswood Police and other law enforcement agencies, no charges have been filed against Laura's killer. It is clear that additional information is needed to move this investigation forward.

On this anniversary, we are asking anyone with any information about this case to do the right thing and contact the Friendswood Police Department at 281-996-3300.

Thank you,
Bob and Gay Smither

Volunteers Needed

Volunteers are needed to work two-hour shifts selling soda and water at the Friendswood Fig Festival on April 19. We also need donations of sodas and water. If you can help with this fundraiser, please call us 281-482-5723.

Murdered

It is with a profound sense of sadness that we report Cori Baker's remains were recovered just outside of Tulsa, Oklahoma. Cori was a 13-year-old little girl when she was murdered. The last person to see her was her older sister's boyfriend when he picked her up at school. He is currently in jail awaiting trial.
