Laura Recovery Center Honored by Ford Motor Company

Imagine receiving a phone call telling you that you have won a new car, and it's true! We received such a call recently from Kathy Austin in Houston, TX. Through her efforts with www.HouseParties.com and the Ford Motor Company's Big Drive, out of 1100 nominated organizations we were one of ten recipients nationwide to receive a free new car. We selected a new Ford Edge on Saturday, June 7th from Ron Carter's in Alvin. I've heard of things like this before but never thought that we would be so fortunate. We deeply appreciate this generous gift and want to thank everyone involved who made this happen.

Tragic End to Search for Missing Children Pasadena, TX

Recently we were involved in a search for two missing children in Pasadena, Texas. Seven-year-old Randy Sylvester and his three-year-old sister Denim Sylvester disappeared on Father's Day, June 15th. The Pasadena Police Department was assisted in their efforts by three search organizations, community activist Quanell X, and hundreds of volunteers. The search ended tragically on June 21st when the father of the children led authorities to their bodies. Everyone involved in the search for these precious children was heartbroken to learn that the children had been murdered. Now it is time for justice to be served.
