The LRC has posted a list of suggestions for parents whose children have been missing for some time, including ways to use the missing child's flyer and organizing community awareness events. The suggestions are available at www.LRCF.org/wycim.

Susana DeJesus was abducted on February 2, 2009, from the parking lot on Smith Ranch Road near 288 in Pearland, TX. She is 5'2" tall with green eyes and was last seen wearing a gray business suit.

*Houston Crimestoppers, Brazoria County Crimestoppers, Catherine's Plus Size, and the FBI will pay up to **\$27,500** for information called in to the 713-222-TIPS, 1-800-460-2222, or 1-877-999-TIPS tips hotline or submitted online at www.crime-stoppers.org that leads to the identification, arrest, and/or charging of any suspect in the kidnapping of 37-year-old Susana DeJesus. You can download flyers from our website at www.lrcf.org.

LRC is grateful to all of the volunteers who helped in the extensive ground search for Susana and who also provided search dogs, ATV's, horses, and a helicopter to aid in the search. LRC will continue to search as new and credible leads and tips are provided. On March 2, 2009, LRC, volunteers, and Susana's family helped distribute flyers at the location where she was abducted and made a plea for information.

Please visit our website to view several photos of the suspect taken at Whataburger on W. Belfort in Houston (see one photo below). If you know who this person might be, please do the right thing and make the call that could resolve this case.
